[redacted] truck [redacted] with motor transport insignia. A lieutenant with red-bordered black epaulets and two soldiers with black-bordered black epaulets rode in the truck. The building opposite was included in the area of the former Bundeserziehungsanstalt by a brick wall mounting fences which surrounded the entire installation. Intensive traffic of officers and soldiers with red-bordered black epaulets was observed at the building. The radio station in the eastern section of the billeting area was still there. The main entrance gate of the area was now on the eastern side.
